BLOCK PAVING SERVICES

Get in Touch!

Jointline provides high-quality block paving services across a wide range of civils and infrastructure schemes. From refurbishment works to new installations, our experienced in-house teams deliver robust and visually appealing paving solutions designed for heavy use, ease of maintenance, and long-term performance. Whether enhancing public realm environments or supporting highways infrastructure, Jointline ensures professional delivery at every stage.

Key Benefits:

- Durable, low-maintenance finish, built for high-footfall and light vehicle traffic
- Bespoke designs, wide range of layouts, colours, and finishes to meet site requirements
- Skilled installation, all works delivered by trained, experienced paving operatives
- Flexible scope, ideal for footways, car parks, public spaces, and hard landscaping
- Efficient turnaround, seamless integration into wider civils or maintenance programmes

Why Choose Jointline:

- 30+ Years of sector experience, proven across highways, civils, and maintenance schemes
- Modern equipment & trained teams, CSCS accredited operatives and dedicated plant
- Full UK accreditation, ISO 9001, ISO 14001, ISO 45001
- End-to-end service, from surface preparation to reinstatement
- National coverage, reliable delivery across all regions and site types

Let us help you take your project to the next level. **Contact us today** to discover how our block paving services can make a difference.
