HARD LANDSCAPING SERVICES

Get in Touch!

Jointline provides specialist hard landscaping services for highways, civils, and infrastructure projects across the UK. Combining quality materials with expert installation, we deliver robust and visually appealing paved areas, kerbs, and surfacing solutions that meet modern design standards and long-term performance requirements.

Key Benefits:

- High-quality block paving, kerbs, and edgings for heavy-use areas
- Permeable paving options to support Sustainable Urban Drainage Systems (SUDS)
- Tactile paving to enhance accessibility and compliance
- Durable, low-maintenance finishes tailored to each site
- Safe, well-sequenced delivery minimises disruption to operations
- Supports asset longevity and environmental goals

Why Choose Jointline:

- Over 30 years of proven expertise in civils and infrastructure landscaping
- Fully equipped with dedicated plant and modern installation equipment
- Accredited to ISO 9001, ISO 14001, ISO 45001, and Constructionline Gold
- CSCS/NVQ-qualified teams committed to quality, safety, and sustainability
- Trusted by local authorities, Tier 1 contractors, and private developers nationwide

Let us help you take your project to the next level. **Contact us today** to discover how our hard landscaping services can make a difference.
