RESIN BONDED SERVICES

Get in Touch!

Jointline Ltd offers premium resin bonded surfacing solutions, combining durability with aesthetic appeal. By bonding high-quality aggregates to surfaces like asphalt and concrete, we create hard-wearing, non-porous surfaces that replicate the look of loose gravel while providing enhanced performance.

Key Benefits:

- Durability: Resistant to wear and tear, suitable for heavy foot and vehicle traffic.
- Anti-Slip Properties: Textured aggregate surface ensures excellent skid resistance, ideal for slopes and ramps.
- Aesthetic Flexibility: Available in various natural and decorative aggregate finishes to enhance visual appeal.
- Low Maintenance: Requires only occasional sweeping or pressure washing to maintain functionality
- Rapid Installation: Minimises disruption with quick curing times and efficient application processes.

Why Choose Jointline:

- Expertise: Over 30 years of experience in civil and infrastructure projects.
- Accredited: ISO 9001, ISO 14001, ISO 45001, and Constructionline Gold certified.
- Skilled Workforce: CSCS/NVQ-qualified operatives ensuring quality and safety.
- Nationwide Coverage: Branches in Lincoln and Bradford, delivering services across the UK.

Let us help you take your project to the next level. **Contact us today** to discover how our resin bonded services can make a difference.
