

QUALITY, SAFETY, HEALTH & ENVIRONMENTAL POLICY

Jointline Holdings Ltd is a non-trading company incorporating the operational business of Jointline Ltd. In brief, the core operations undertaken are in the field of airfield & highway maintenance, both in the UK & overseas. Our goal is to achieve continual improvement through:

- Maintaining a Quality, Health, Safety & Environmental management system that complies with ISO 9001, ISO 14001, ISO45001 and the Fleet Operator Recognition Scheme (FORS). This will provide an ongoing system for structuring, monitoring & continuously improving our cost and activities through the setting & monitoring of objectives and targets.
- Embedding collaborative ways of working within our management systems in line with ISO44001.
- Establishing and regularly reviewing key performance indicators based upon reducing quality non-conformities, preventing injury & ill health, reducing near misses, commitment to the protection of the environment, preventing pollution & improving customer communication and co-ordination in all our projects.
- Providing employees with the necessary training in order to fulfill their duties in accordance with the relevant QSHE work instructions.
- Improving health & safety performance through effective identification of hazards, control of risks, investigation of accidents & incidents and implementation of appropriate corrective and preventative actions.
- As a minimum operating requirement to comply with all aspects of customer's requirements and all applicable health, safety & environmental legislation & compliance obligations.
- Identifying all significant environmental aspects and impacts arising from our activities & using them as a basis for setting ongoing objectives and targets.
- Promoting joint responsibility of management & employees to implement this policy & to be accountable for the quality, safety, health & environmental impact of their work.
- Reviewing this policy on an annual basis as a minimum and ensure it is communicated to all employees & made available to the public & other interested parties on request.
- Committing to effective consultation and participation with our workers.

Jointline is committed to complying with the current Sector Scheme 7 Document for Highway Works for the application of road marking materials & road studs to road surfaces.
